BENTON HARBOR — ST. JOSEPH, MICHIGAN

This is artist's drawing of  
Bangor, being built by  
Association (MARCHA).  
as held Friday afternoon,  
ation June 1, 1985. Accord-

ing to MARCHA announcement, construction cost is estimated at  
\$590,000. Center is to be used for medical and dental care ser-  
vices, and to house nutrition program for infants, children and  
women. Building will have 8,400 feet of floor space, with eight

exam rooms, three dental rooms and classroom. MARCHA is a  
non-profit health services agency operating clinics in Benton Har-  
bor, Bangor, Eau Claire and Holland. Revenue comes principally  
from federal and state funding.
