

WELCOME TO A BETTER WAY

🌀 **CareSouth Carolina** is a private, non-profit health and human services provider located in the Pee Dee region of South Carolina. We are a family of professionals dedicated to providing compassionate health and life care services that are available to everyone. At CareSouth Carolina, health care is about much more than treating symptoms. It's about providing care that is built around the wants and needs of the patient. It's about experiencing what it's like to be in control of your health. CareSouth Carolina combines healing relationships with patients, evidenced-based standards of care and ground-breaking innovation. The result is some of the best health outcomes in the nation. We are transforming lives and communities for the better.

🌀 **Services** provided by CareSouth Carolina include Family Practice, Pediatrics, Geriatrics, Internal Medicine, Clinical Counseling, Laboratory, Radiology, HIV/AIDS, Disease Management, Social Services, Outreach and Pharmacy.
