

Family Health Center provides care for all who need it.

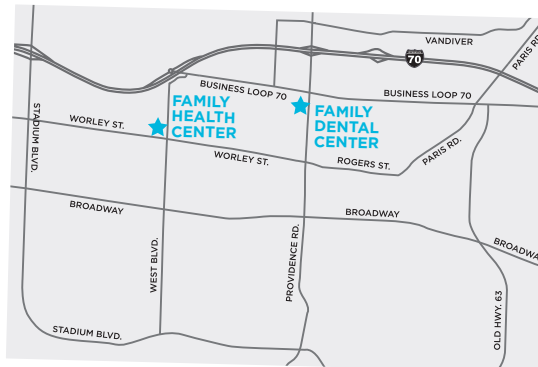

Our patients represent a cross section of the community. Some of our patients have private insurance, some are covered by Medicare or Medicaid, and some are uninsured. All are welcome and treated with courtesy and respect by our professional staff.

Whether or not you have insurance coverage, you'll receive the benefit of professional health care close to home.

“We have an excellent nursing staff, excellent support staff, and excellent facilities. We believe we are providing health care that is as good as any other primary care clinic in Columbia.”

— Andrew Quint, M.D.

Our Professional Staff:

- ▶ Board-certified / board-eligible physicians
- ▶ Certified family nurse practitioners
- ▶ Registered nurses and licensed practical nurses
- ▶ Licensed dentists and dental hygienists
- ▶ Licensed clinical social workers

We are your friends and neighbors. We live in this area, know the community, and are committed to your good health.

We provide primary and preventive health care services for your entire family.

Our Services Include:

- ▶ Annual physical examinations and follow-up care
- ▶ Family planning and prenatal care
- ▶ Newborn and pediatric care
- ▶ Acute illness care
- ▶ Chronic disease management
- ▶ Immunizations
- ▶ Medication assistance
- ▶ Dental care
- ▶ Referrals for eye care
- ▶ Mental health care and referrals
- ▶ Language interpretation services

“At Family Health Center, we take the extra time to make sure our patients receive the care they need.”

— Gloria Crull, Executive Director
