

## Oral Care:

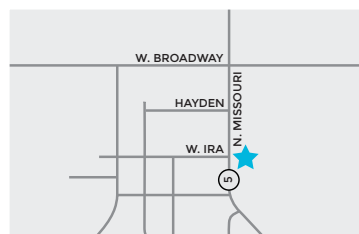

Family Dental Center provides experienced and professional licensed dentists, registered dental hygienists, and dental assistants to meet our patients' oral health care needs. When specialty oral health care is needed, our staff will assist you with referrals and will follow up with patients after treatment by specialists.

## The Family Dental Centers at Columbia, Marceline and Salisbury provide the following services:

- ▶ Preventive Oral Health Care: oral health education, prophylaxis, fluoride treatments, and sealants
- ▶ Diagnostic Services: X-rays
- ▶ Restorative Care: dental fillings
- ▶ Endodontics: root canals
- ▶ Periodontics: treatment for gum disease
- ▶ Oral Surgery
- ▶ Prosthodontics: crown and bridge, partials and dentures
- ▶ Urgent services as needed

We accept most major private insurance plans and Medicaid. We also offer a sliding fee discount program for patients without insurance in which discounts are based on documented household income and the number of persons in the household.

Call and make an appointment today.
