About Open Door Family Medical Centers

Open Door has received the highest Recognition as a Patient-Centered Medical Home™ (PPC-PCMH™) from the National Committee for Quality Assurance (NCQA). This ranking distinguishes them from medical practices across the nation as less than 12% are presently eligible to achieve this advanced standing. The federally qualified community health center serves a multi-cultural community and has provided top quality medical, dental care and social services to the Westchester community, particularly the economically disadvantaged, for 38 years. Open Door has four centers in Westchester located in Ossining, Port Chester, Mt. Kisco and Sleepy Hollow. In addition, Open Door operates School-Based Health Centers in Port Chester at The Edison Elementary School, Kennedy Magnet School, Port Chester Middle School and Port Chester High School. In 2009, approximately 40,000 patients were treated at Open Door, making nearly 170,000 patient visits. Over 13,483 children were treated during that same year. Funding for Open Door Family Medical Centers comes from local, state and federal grants as well as private foundations and individuals.
