COMMUNITY HEALTH CENTER OF DANBURY ANNOUNCES EXTENDED HOURS AND NEW SERVICES

New services include behavioral health care for children and adults, nutrition counseling, podiatry and chiropractic care

DANBURY, Conn. (November 28, 2012) – Community Health Center of Danbury announces it has extended its hours to make appointment scheduling more convenient and has added much needed services for its established patients that include child psychiatry, behavioral health care for adults, chiropractic care, podiatry and nutrition counseling.

Community Health Center, Inc. is recognized nationally as both a Patient Centered Medical Home by the National Committee for Quality Assurance (NCQA) and a Primary Care Medical Home by The Joint Commission; which means that CHC providers are held to a set of standards to provide necessary primary care to their patients, that is easily accessible, and in most cases available at one facility. “Our patients have expressed a need for additional services like podiatry and nutrition counseling for patients with diabetes, behavioral health care for both children and adults, and chiropractic care for those living with chronic pain,” explained Monte Wagner, APRN, on-site medical director for CHC of Danbury. “In striving to provide the best access to the most comprehensive primary care for our patients, CHC of Danbury has added these services to our current offerings of medical and dental care.”

In response to feedback from patients, CHC of Danbury is now offering appointments during the early morning (beginning at 7:00 am) and evening (until 6:15 pm) hours, as well as daily lunchtime appointments. The new hours are as follows:

- Monday, Wednesday and Thursday – 7:00 am to 5:00 pm
- Tuesday – 7:00 am to 5:00 pm, with behavioral health care available until 6:15 pm
- Friday – 9:30 am to 5:00 pm
- Saturday – 8:30 am to 12:00 pm

CHC of Danbury is currently accepting new patients. Please call (203) 797-8330 to schedule an appointment.
