

HAN MISSION

We will make a difference in the lives of our patients and community by providing compassionate, high quality healthcare services focusing on the whole person, without financial or social discrimination.

HAN VISION

We are healthcare professionals, patients, and community residents working together as a unified team:

- Eliminating barriers to access for medical, dental, and mental healthcare services.
- Meeting health and wellness needs through education, awareness, and prevention.
- Enhancing and developing new systems and services to maintain and improve individual quality of life and health of our community.

HAN VALUES

Compassion, Innovation, Integrity, and Excellence.
