

Services

Caring for the community.

Clinical Support

Patient Navigator Program:

- **Cancer Detection Program (CDP):** Free annual clinical breast exam, mammogram, cervical cancer screening, and case management to qualified women over forty

- **Diabetes Collaborative:** Provides case management and individual and group education for diabetic patients

Family Planning: Includes free exams and contraceptive services for eligible uninsured individuals

Maternal Child Outreach Program (MCOP): Provides case management, prenatal care and support, childbirth education, home and hospital visits

Medical Nutrition Therapy: Upon referral for health center patients

Medically Vulnerable Infants Program: Case management and home visiting program for eligible babies released from the Neonatal Intensive Care Unit

Women, Infants & Children (WIC)

Operating 25 WIC locations throughout Kern County

Sixth largest program in the State of California (43,000+ clients per month)

WIC provides nutrition education, breastfeeding support and food vouchers for pregnant and post-partum women, infants and children up to five years of age.

HIV/AIDS

We provide specialized infectious disease and primary care services to HIV/AIDS and Hepatitis C patients.

Kern Lifeline Project: Case management services, individual and small group behavioral health counseling, advocacy and emergency assistance to people with HIV/AIDS and their families

Clinica Sierra Vista offers confidential and anonymous HIV testing, as well as education and prevention services for the general public, especially targeting at-risk populations.

Family Services, Adolescent Services & Health Promotion

Black Infant Health (BIH): Comprehensive, community-based effort to reduce infant mortality by serving at-risk pregnant and parenting African-American women and assuring that they have access to maternal and child health services

Differential Response: Links families to any service that might be needed to prevent child abuse and neglect

Family Resource Center: Neighborhood-based services utilizing case management, home visitation, and multidisciplinary team conferences, located in Ridgecrest and Southeast Bakersfield

Health Insurance Assistance Program/Medi-Cal: Facilitate applications for people who are uninsured or need to be recertified

Clinica Sierra Vista is a Certified Enrollment Entity. We assist individuals and families with enrolling into Medi-Cal and private insurance through the health insurance market place, Covered California. There is no cost for these services.

Adolescent Family Life Program (AFLP): Case management and supportive services for pregnant and parenting teens and their families

Health Education Outreach Programs: Family Life Education for junior high and high school aged youth as well as the information and Education Program in community and school settings (11-18 years old)

Program Locations

Many of the programs that Clinica Sierra Vista offers are available within the health centers. Those specialized programs that are not available in the health centers have their own program locations. Please see the following list of program locations and contact information.

Kern

Mission Statement

It shall be the mission of Clinica Sierra Vista to provide high quality and comprehensive primary and preventative health care services at the most efficient cost to the underserved populations of Kern, Fresno and Inyo Counties regardless of ability to pay, and to seek necessary resources to meet the growing health care demands while maintaining the corporation's financial integrity. We strongly believe in everyone's right to quality health care; therefore, no one is denied services based on race, religion, ethnicity, sex, age, disability or economic status.

Becoming a Patient

Making Appointments You can make an appointment at any of Clinica Sierra Vista's health centers by calling the location you wish to visit and scheduling an appointment. Hours vary by health centers, so please call the location nearest you for the days and hours of operation.

Same-Day Appointments (Walk-ins) We also accept same-day appointments at all of our health centers, although your wait time may be longer, since patients with scheduled appointments will be seen first.

What to Bring with You When visiting the health center for the first time you will need to bring proper identification, which may include a social security card, valid driver's license, birth certificate, utility bill, or another form of official identification. If available, you should also bring your Medi-Cal card, Medicare card or private insurance card. If uninsured, you will also need to bring a pay stub, an unemployment check stub, a recent tax return or a letter from your employer to prove your family income.

Insurance We accept Medi-Cal, Medicare, private insurances, most HMO plans and cash. We have Medi-Cal and Healthy Families outreach workers at our health centers who will assist patients with enrollment in these programs.

Uninsured For the uninsured, we accept payment using a sliding fee scale, based on family's size and income.
