Local Health Leaders Gather Friday In Santa Rosa To Discuss State Budget Cuts

As California's economic outlook darkens and politicians in Sacramento propose the most draconian budget cuts in decades, health care leaders in Santa Rosa will discuss the future of the health care delivery system in our community.

SANTA ROSA, CA – The California Primary Care Association, the Latino Coalition for a Healthy California and Redwood Community Health Coalition will host a Press Conference on the crippling impact of the Governor's proposed budget cuts and the effect on the health safety net system in the North Bay.

WHO: Dr. Kelly Pfeifer, Medical Director, Redwood Community Health Coalition & Petaluma Health Center

Carmela Castellano-Garcia, Esq., CEO, California Primary Care Association

Al Hernandez-Santana, Executive Director, Latino Coalition for a Healthy California
