Mission Statement

It shall be the mission of Clinica Sierra Vista to provide high quality and comprehensive primary and preventative health care services at the most efficient cost to the underserved populations of Kern, Fresno and Inyo Counties regardless of ability to pay, and to seek necessary resources to meet the growing health care demands while maintaining the corporation's financial integrity. We strongly believe in everyone's right to quality health care; therefore, no one is denied services based on race, religion, ethnicity, sex, age, disability or economic status.

Becoming a Patient

What to Bring with You When visiting a health center you will need to bring:

1. Proper identification (photo ID, birth certificate, or any other document that verifies who you are)
2. Current Health Insurance Card(s) (Medi-Cal BIC, private health insurance, etc.)

Uninsured For the uninsured, we accept payment using a sliding fee scale based on household income and family size. To be considered for the Sliding Fee Program, please bring proper identification and proof of ALL income earned/received by EACH member of your household in the last 30 days (paycheck stubs, income tax statement, benefits award letter, letter from your employer, etc.)

Insurance We accept Medi-Cal, Medicare, private insurances, most HMO plans, and cash. We have certified Enrollment Counselors in our health centers who will help you apply for no cost or low cost health insurance coverage.

Making Appointments You can make an appointment by calling the health center you wish to visit. Hours vary by location; please call the health center to confirm hours and days of operation.

Same-Day Appointments (Walk-ins) We accept same-day appointments at all of our health centers. Please keep in mind that your wait time may be longer since patients with scheduled appointments will be seen first.

Services

Programs

Health Educators are trained to provide individualized education on various topics such as diabetes, hypertension, asthma, family planning, weight management, and poison control prevention.

Patient Navigators Program focuses on chronic disease management and intervention services by identifying a patient's current health status and working to encourage behavior changes and medical treatment compliance. Through its robust patient tracking, education, and follow-up system, the Patient Navigator Program is designed to improve care management practices and prevent disease and the further deterioration of chronic conditions.

- **Cancer Detection Program (CDP)** provides free annual clinical breast exams, mammograms, cervical cancer screening, and case management to qualified women over forty.
- **Diabetes Services** provides case management and patient education.

Comprehensive Perinatal Services Program provides education about important issues concerning your pregnancy from conception to birth, including nutrition and psycho-social concerns. Certified Childbirth Educators and Certified Passenger Safety Educators are also available.

Health Insurance Assistance Program (HIAP) helps individuals and families who are uninsured apply for no cost or low cost health insurance coverage and provides case management services to newly insured individuals to help them understand and use their insurance benefits and keep and renew their coverage. HIAP also helps individuals and families apply for CalFresh (food stamps). Visit any of our health centers to apply today!

To apply for health insurance and/or CalFresh, please bring the following:

- Photo Identification** for the person completing the application
- Proof of ALL income** earned/received by EACH member of your household in the last 45 days (paycheck stubs, income tax statement, benefits award letter, letter from your employer, etc.)
- Social Security Card** for each person requesting benefits, *if available*
- Birth Certificate, U.S. Passport, U.S. Resident Card**, or any other document that verifies current immigration status for each person requesting benefits, *if available*
