*Caring for you.
Caring for your community.*

Established in 1972, GCHC started as a one-site center in Walstonburg. Since then, GCHC has since evolved into a designated Federally Qualified Health Center for community-based comprehensive primary care. GCHC is the only organization that combines medical, dental, behavioral health care and case management for our patients.

We are a trusted and reassuring presence in our region. GCHC is a pillar of the community and is going above and beyond to meet the ever changing needs of those we serve. Although our services change as the needs of our communities shift, what remains constant is our commitment to the community through high quality, affordable, integrative health care for the people of eastern North Carolina.

Quality is our focus.

The following Greene County Health Care, Inc. sites have earned Level 3 recognition from the National Committee for Quality Assurance (NCQA) as Patient Centered Medical Homes:

- Kate B. Reynolds Medical Center
- James D. Bernstein Medical Center
- Walstonburg Community Health Center
- Snow Hill Medical Center

GCHC's newest clinic, Pamlico Community Health Center, earned NCQA Level 2 recognition.
